Nestlé with MKN professional cooking equipment at Internorga 2008

Nestlé Professional presented itself at Internorga 2008 with its new partner, the MKN company, German prime manufacturer of professional cooking equipment. At the stand Nestlé chefs cooked on CombiSteamers HansDampf and different appliances of the MKN classic line.

At the new Nestlé training centre in Frankfurt, which opened at the end of February 2008, the decision has also been made to fit the training kitchen and frontcooking of the restaurants with the latest professional cooking equipment made by MKN.
